GREAT ENGLISH REMEDY

GREAT ENGLISH REMEDY

For Coughs, Colde, Ashma, and Consumption!

THE great and only remedy for Colds, Coughs,
Ashma, and Consumption, is the Hungarian
Balsam of Life, discovered by the celebrated Dr.
Buchan of London, England, and introduced into
the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine in the
curse of pulmonary discases, warrants the American
agent in soliciting for treatment the WORST POSSIBLE CASES that can be found in the community; cases that seek relief in vain from any of the
common remedies of the day, and have been given
up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has
cured, and will cure, the most desperate of cases.
It is no quack nostrum, but a standard English
medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not
only to counteract the consumptive tendencies of
the climate, but to be used as a preventive medicine
in all cases of Colds, Coughs, Spitting of Blood,
Pain in the Side and Chest, Irritation and Soreness
of the Lungs, Bronchitis, Difficulty of Breathing,
Hectic Fever, Night Sweats, Emuciation and General Debility, Asthma, Influenza, Hooping-Cough,
and Croup.

It sold in large bottles at \$1 per bottle, with full
directions for the restoration of health.

Pamphlets, containing a mass of English and
American certificates, and other evidence, showing
the unequalled merits of this great English remedy,
may be obtained of the agents gratuiously.
